Subject: Notice to Desist

Re: (1) Delinquent Tax Notice, undated, Parcel 049016009015574001000
(2) My 4 May 2003 Certified Mail letter: 7001 2510 0005 2331 7344, with attchs.
(3) My Claim by Affidavit, 2 May 2003, mailed on 5 May 2003 by certified mail.

Dear Ms. Miller,

1. You were notified by My Claim by Affidavit (ref #3 above) containing appropriate lawful references that My land, with appurtenances, referred to in ref 1 above is exempt from taxation and that a large lien is attached to the property.

2. You were also informed explicitly (par 4, Claim by Affidavit) that Notice of Common Law Copyright exists (copy provided you in ref 3 above) and has been filed at the county recorder's office for public notice.

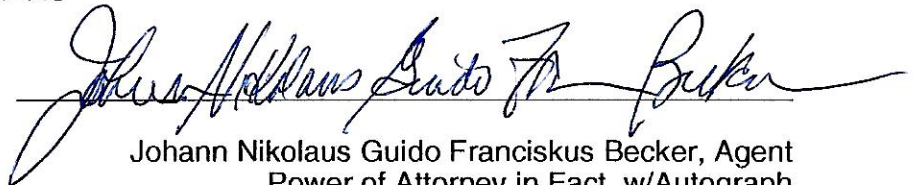

3. Now be aware that you, personally, as well as in your official capacity, will assume liability and damages:

(a) under the contractual conditions of the Notice of Common Law Copyright should you violate that contract by publishing My copyrighted tradename/trademark in any newspaper or public organ of any kind, for example, under a color of law "tax sale," or other "purpose." Should you do so, it will be prima facie evidence of fraud on your part.

(b) should you fail to desist in not complying with the federal laws of land patent and homestead as provided you in all documents filed at the county recorder's office for public notice.

4. Failure to reply not later than 28 May 2003 as to your actions will command that a tacit response has been given, in that: you will not violate the contract, and you will comply with the law.
