1. On the 30th day of May A.D. 2013, at approximately 4:30pm, I delivered directly into the hands of Lea A. The Notary, Paul Hansen was present at and is witness to this delivery. See hereto as attached Exhibit "NA".

AFFIDAVIT

This is **NOTICE** by **AFFIDAVIT** to Pottawattamie County Treasurer and other entities:

1. I, **Johann-Nikolaus-Guido-Franciskus: Becker, in esse**, herein "Affiant," in propria persona, over the age of majority, and without proof of claim or evidence to the contrary: am not a "corporation", not a "legal person", not a "resident," not an "individual", not a "surety", not an "accommodation," not a "U.S. person," and not a trustee for any undisclosed Trust. I am who I say I am, not who anyone else says I am:

(a) Affiant is a "free inhabitant" under Sec 4, Articles of Confederation -- the second of four organic laws of The United States of America - and one of the One People described in the Declaration of Independence:

(<http://uscode.house.gov/uscode-cgi/fastweb.exe?getdoc+uscview+uscnst+2+5++%28organic%20law>)

(b) Affiant has no contract with or evidence of any contract of any kind with purported "POTTAWATTAMIE COUNTY" (sic) or any of its purported sub-divisions. Affiant has first hand knowledge of the facts stated herein, and does hereby say under penalties of perjury that the facts stated herein are true and correct, materially complete, and with no misleading intent.

2. This discharge of alleged "property tax w/interest" is made **UNDER PROTEST** wherein:

(a) I explicitly preserve all my unalienable rights as a "free inhabitant," and

(b) I retain the right to sue for recovery of all unlawful exactions *ab initio* as of January 2000 A.D. for mistake, error, jurisdictional problem, or fraud by POTTAWATTAMIE COUNTY (sic) entities as the alleged "claim" for "property tax" has never been validated or verified under penalty of perjury nor contracted by Affiant; and

(c) this discharge is an involuntary, non-consensual act under force of threat, duress, and coercion by Lea A. Voss, POTTAWATTAMIE COUNTY TREASURER (sic) to confiscate My private land w/appurtenances, generally known as "20425 Concord Loop," via fraudulent "Certificate of Tax Sale" and fraudulent "Treasurer's Tax Deed" -- or similarly titled documents - putting Me into involuntary servitude (slavery) - prohibited by the Iowa constitution and the Constitution of the United States; and

(1) without My having received lawful proof of claim or evidence of true territorial jurisdiction to levy such tax (see Article I, Sec 8, Cl 1 & 17 of Constitution of the United States) from POTTAWATTAMIE COUNTY TREASURER (sic), POTTAWATTAMIE COUNTY ASSESSOR (sic), POTTAWATTAMIE COUNTY AUDITOR (sic), POTTAWATTAMIE COUNTY (sic), STATE OF IOWA (sic), each a private corporation; and

(2) without just compensation, if I did not comply with the demand for such "exaction" without using lawful United States money of account, i.e. gold and silver coin at par which is not in circulation and is impossible to "pay."

3. Upon inspection, it appears that without proof of claim otherwise, purported "STATE OF IOWA" (sic) corporate statutes and codes apply only to "persons", "individuals", "corporations," other fictional entities, corporate government employees, "government" property, and "persons" doing regulate-able activities on land that is a possession or territory of United States.

4. Your failure to respond to and/or rebut each and every point above is presumed your agreement with and admission to the fact that everything in this Affidavit is true, correct, legal, lawful. If any party disagrees with this Affidavit, he/she must provide a point for point rebuttal in Affidavit format under penalty of perjury with specificity and particularity, to Me, within 20 work days of receipt date (or request extension of time), and provide fact, evidence and Constitutionally based law or case opinions applicable to Affiant which overturns or is proof of claim to the contrary for each point. Silence stands as your agreement with, consent to, and approval of all points herein:

"Silence can only be equated with fraud where there is a legal and moral duty to speak or where an inquiry left unanswered would be intentionally misleading."

--- *United States V. Prudden*, 424 F.2nd 1021 (5th Cir, 1970)

5. Under penalty of perjury under the laws of The United States of America, 28 USC 1746(1), Affiant examines this "Notice by Affidavit to Treasurer" and to the best of His knowledge and belief it is true, correct, and not meant to mislead, although, he [pre]serves for adjusting any of the above upon proof of claim otherwise. Affiant [pre]serves His right with modifying this "Affidavit" with reflecting newly discovered facts or information otherwise unknown or mistakenly omitted at time of document creation. Affiant's use of Notary is to form and for certification purposes and not to be construed as submission to any foreign jurisdiction or local jurisdiction. He explicitly reserves all rights without prejudice.
